SUMMARY OF THE TESTIMONY OF PATRICK J. QUINN ON BEHALF OF THE RESIDENTIAL UTILITY CONSUMER OFFICE

The Arizona Residential Utility Consumer Office ("RUCO") presents the direct testimony of RUCO Director Patrick J. Quinn in support of the Proposed Settlement Agreement of the Global Water Utilities Rate Cases that resolves all issues in the various related dockets with the exception of the recently filed SIB for Willow Valley. Mr. Quinn recommends that the Arizona Corporation Commission adopt the Proposed Settlement Agreement for the following reasons:

The Proposed Settlement Agreement reflects an outcome that is fair to both the consumer and Global Water Utilities and is in the public interest.

The Proposed Settlement Agreement is a comprehensive settlement agreement. Its terms settle a wide range of issues that were of significant interest to several of the interveners with the exception of the one issue: the SIB for Willow Valley. The parties will be filing testimony on the issue, separately.

RUCO supports the Proposed Settlement Agreement in its entirety because it contains numerous benefits to the consumer which will be discussed in Mr. Quinn's testimony.

The Proposed Settlement Agreement resolved several areas of importance to RUCO in the underlying rate cases. This resolution of all issues included Infrastructure Coordination and Financing Agreements, the amount of revenue increase authorized for Global, the affect of the increase on consumers' rates and preventing the Company from filing another rate case until at least May 31, 2016. All of these issues were addressed satisfactorily in the Proposed Settlement Agreement and will be explained more fully in Mr. Quinn's testimony.
